

Declaration of Truth

Natural Law is not man made.

It is the unchanging Universal Law of Nature.

Natural Law governs the consequences of human behavior.

From the beginning, as Ke Akua / God Almighty is my witness, I, ___(Your Name)___, of the family ___(Last Name)___, embrace all gifts given by God, repent all transgressions against God / YHWH, and waive all claims without God (The Truth and Source).

I make this special appearance, reserving all of my unalienable god given rights, and other rights. I am here out of a sense of duty to make right what is wrong, to make pono the hewa that is the unlawful State of Hawai'i. I make my special appearance with sincere aloha, to challenge, rebuke, and deny all false claims, contracts, and presumptions, as well as the so-called jurisdiction of the fake State of Hawai'i over me, and over our beloved and ongoing Hawaiian Kingdom.

I am not now, have never been, and will never be a, "Person", as defined by the corporate legalese that has infiltrated our common/natural law language. I am not a corporate fiction, limited liability company, straw man, or any other "legal entity." If you cut me... I will bleed. I am not a Corporate fiction name.

I am not a deceased estate. I am not dead. I am alive and well thank you!

Hawai'i's true political status is well known and proven in the public record. I and many others have brought our lawful claims forward in face

to face encounters and public record filings for years. The Hawaiian Kingdom has been under unlawful US military occupation for over 125 years. No written response or rebuttal of this claim, equals silent acquiescence. The historical and lawful truth about Hawai'i stands.

The State of Hawai'i legal system and agent /employees thereof cannot lawfully proceed on any aspect of this controversy/case, on any level, without first bringing tangible evidence, entered on and for the record, in support of and clearly, irrefutably evidencing lawful jurisdiction over me or over these Hawaiian Islands.

Any court that attempts to proceed, without first proving lawful jurisdiction is acting outside of the Creator's Natural Law for both Hawaiian Kingdom, Declaration of Rights 1839; and America, Declaration of Independence 1776. Any such court has violated its oath of office, and has lost any and all protection of said office. Such a court, and agents/ employees thereof are vulnerable in their own right, to accountability in both the criminal and civil realm.

I cannot be compelled, lawfully or otherwise, to recognize any court that acts outside of the Natural Law. I cannot lawfully be compelled to recognize a rogue court's assertions that I must be a participant, on any level, in any matter that is unlawfully caused to proceed, without first bringing forward tangible evidence in support of any such assertion of jurisdiction. Jurisdiction cannot be merely presumed. Jurisdiction must be proven. There is no exception to this rule. The State of Hawai'i's jurisdiction is null and void.

Any and all attempts to proceed absent proven jurisdiction, are unlawful attempts to proceed, therefore entirely unenforceable by Natural Law, Hawaiian Kingdom 1839 and America 1776. I remind any and all law enforcement and all people connected to the State of Hawai'i corporation that ignorance of the law, in the eyes of the law, is not now,

nor will ever be, a viable defense. I caution anyone intent on now acting only under the color of law. Color of law is not lawful.
