Kauikeaouli, Kamehameha III

Hawaiian Kingdom is in continuity. We are a natural law based constitutional monarchy. We are not a corporation. We adjudicate controversy on this soil under the Creator's Law as codified in the Declaration of Rights 1839. All people are respected in their God given unalienable rights. We support the right for people with genealogical claims and titles through ali'i koko, Mo'okuauhau process and lawful protocol has begun. Every man and woman is protected in their right to make a claim.

Follow your truth and bliss, but DO NO HARM. Hawaiian Kingdom subjects are not subject to a man / woman. We are all SUBJECT TO THE CREATOR'S LAW. We embrace pono leadership and service, as those with ali'i koko are respected in their bloodline kuleana and talents. Mahalo nui loa!

The Circle of Sovereigns : Hawaiian Kingdom Jural Assembly, while not a full service Kingdom government have lawful standing to adjudicate controversies on Hawaiian Kingdom soil. We respect the right of all Kingdom subjects to form their own lawful jural assembly. Be pono. Fully accountable and transparent in deliberations to arrive and discover conclusions in the Law.

Three Principles of Natural Law : Hawaiian Kingdom adjudication:

**WHAT IS THE TRUTH?
WAS ANY HARM DONE?
WHAT IS THE STATUS OF AGREEMENTS?**

Good government's main mission is to protect everyone's unalienable God given rights.
The right to **full disclosure** and **the right to substantive due process**.

UA MAU KE EA O KA 'AINA I KA PONO
“To be forever free in the land of righteousness.”
